\* Subject to some restrictions and limitations.

- 1 Businesses from countries with recognised reciprocity agreements may be eligible for a refund.
- 2 To qualify for a refund, businesses must register for VAT/GST before incurring any expenses.
- 3 A refund may be possible if you can show that the reciprocity principle applies either your home country has no VAT or a similar tax, or it offers a comparable VAT refund system.
- 4 EU VAT refunds are available to Northern Ireland businesses only for goods purchased not services.

5 VAT refunds are processed in line with national legislation, with effective implementation subject to confirmation.

- 6 Businesses from countries without recognised reciprocity may still be eligible for a refund in cases where they've made taxable supplies and the VAT is due from the recipient.
- 7 Non-EU businesses using the One Stop Shop (OSS) or Import One Stop Shop (IOSS) schemes to report VAT on cross-border B2C e-commerce can request a refund, even if their country does not meet reciprocity conditions.
- 8 Reciprocity in a process of establishment, but no reciprocity treatment signed to this moment.
